338. DREAM

Sit in a place where journeys begin
Look around you for sixteen people you connect with
Think about these connections and absorb them deeply
Close your eyes
Clear your mind of all thoughts
There will be noise
Your body will turn the volume up
The sixteen people you connect with share this feeling
They will each contact you though sound
Focus your mind on making the greatest music you have ever heard
You will believe that this is possible for you
You will feel this possibility on every level
You will feel it as if it has already happened
The greatest music of all time is inside you
Wake up
The sixteen people you have connected with will have moved on
It will be time for you to begin your journey
