

SCORE

348. CROWD

Get 17 pitch pipes and 17 pieces of card and a pen
Identify an upcoming event that will have a large crowd of unruly people who are unlikely to be singing

Pick a performance date on a time after that

Write the details of the performance on each of the cards

Find 17 people that you know who you can get to the crowd or from the crowd itself

Get them to listen to the noise the crowd makes, and each create a simple repeating tune that they can sing and which has some affinity with the din of the crowd

Gather at the performance

Record the voices singing their tune independently

Mix them

Play them
