

SCORE

388. GET ON A BUS

Go to Sheffield bus station
Admire the white and blue paintwork
Then get on a bus
Any bus to anywhere
Buy a ticket
That will take you to Anywhere and back
Listen to the sounds of
The bus engine revving
And the air brakes braking
The doors opening and doors closing
The windows rattling and bell ringing
And all the other squeaks and shudders
And eavesdrop on conversations
Stare out of the windows
At the passing homes
Imagine the music playing
In these homes
And the music that was once
Played in them
When you were young

And the music that will be
Played in them
When you are old
Then listen to the sounds in your head
The ones that are always there
But you do not know what they are
Consider the performance of this score
Complete when you get off the bus
